## ACTIVITIES

Activities specially designed:

- To improve and develop team working relationships
- To utilise communication and decision making skills
- For members to appreciate roles and responsibilities within the team
- For members to work together to reach a common goal
- To be fun and engaging in a unique, memorable setting

## CHOOSE FROM:

## TOUR, FEED AND TEAM QUIZ

Enjoy a guided tour with one of our knowledgeable keepers around Wild Place's main exhibits, including the cheetah, lemurs, wolves and okapi. You will then have the chance to feed our red river hogs and watch the charismatic pair munch the food your team scatter into the enclosure.

After this put your thinking caps on for a quiz with a twist...

*Maximum numbers: 20*

## SITUATION SURVIVAL

Deep in the woodlands of Wild Place Project your group are forced into a survival situation. Together you must find ways to survive until a rescue team arrive by establishing the four basic human needs; shelter, food, fire and water. Watch your team get creative! Will they have the communication and decision making skills to survive?

*Maximum numbers: 12*

## ACTION & ADVENTURE

Test the nerves of your colleagues with a range of exhilarating challenges on our 12 metre climbing and ropes course, Leap of Faith. With a choice of seven different challenges, there's an activity for everyone for a fun-packed and adrenalin-filled afternoon! You can also try your hand at archery, work together to complete an orienteering task or try a series of puzzling team building challenges.

*Maximum numbers: 25*
