

a perfect setting for your wedding

We'll make your day extra special

Set in 16 acres of woodland just outside Bristol, Redwood Hotel & Country Club is a beautiful location for a wedding ceremony and celebration. The fountains and ponds make a perfect backdrop for your photographs.

We are able to offer a range of banqueting rooms and suites to suit all numbers of guests – traditional in style, but with modern comforts and facilities.

The Panelled Room is perfect for intimate celebrations, while the Garden Suite can accommodate a full, traditional wedding breakfast for 200 people.

You and your guests will enjoy outstanding service, coupled with great food by our award-winning Head Chef.

The Redwood, with a Country Club that boasts great family activities and adult relaxation, also makes a perfect break for all your guests travelling from near and far.

A perfect occasion

At Redwood Hotel and Country Club you will be able to enjoy your day to the full. Our experienced and specialist events team will ensure everything happens just the way you imagine it, leaving you to make the most of every minute.

Relax, we'll hold your hand throughout

From the initial booking of the date through to the actual day – when our Toastmaster will guide you and your guests throughout the celebration – we are here to help. We'll use all of our contacts and imagination to help you add those individual touches.

Spacious and elegant

The Garden Suite has a private reception lounge, private bar, stage and dance floor for up to 250 people for an evening reception, or 200 sit-down. The Suite also opens onto a private terrace and lawn where reception drinks can be taken, or a barbecue in the evening.

For weddings and parties large and small

The Clifton Suite has its own bar and dance floor – perfect for between 70 and 100 guests. If you are planning a small gathering of up to 50 guests, you can choose the Panelled Room, the Avon Suite or the Oak Room – each one offering its own ambience and style. Or, for a real difference, our Summer House Restaurant is steeped in history.

Stay a while

With so many of your family and friends gathered, you may decide that you want to spend your wedding night at the Redwood Hotel. As Bride and Groom, your room will be with our compliments, along with Champagne and chocolates.

Your guests will be offered special accommodation rates too, so enjoy the party to the full. There are 112 comfortable bedrooms in total as well as a magnificent Country Club that you and your guests can enjoy before and after your wedding.

For breakfast we would endeavour to offer you a private room for all your staying guests, giving you more time to thank them all together.

Food and drink is our passion

All of our menus are created by our award-winning Head Chef and his brigade. They will be pleased to discuss the menus and presentation, as well as any special dietary requirements for your party.

With planning and preparation, almost anything is possible. So if you desire something that is not listed on our menus, please just ask.

See separate inserts for menu and drinks options. Please feel free to discuss your specific requirements with our team.
