Our flexible event spaces can be your blank canvas, so let us help you to create a uniquely unforgettable wedding from start to finish.

We are passionate about taking an ethical, sustainable approach to our menus. Our food and drink is full of flavour and goodness and is sourced where possible from people we know and trust in the South West.

# WATERSHED

" The venue, set up and wedding ceremony in the Watershed was all we could have dreamed of, and all our guests commented on what a great but unusual venue for the wedding, which made it memorable for all.

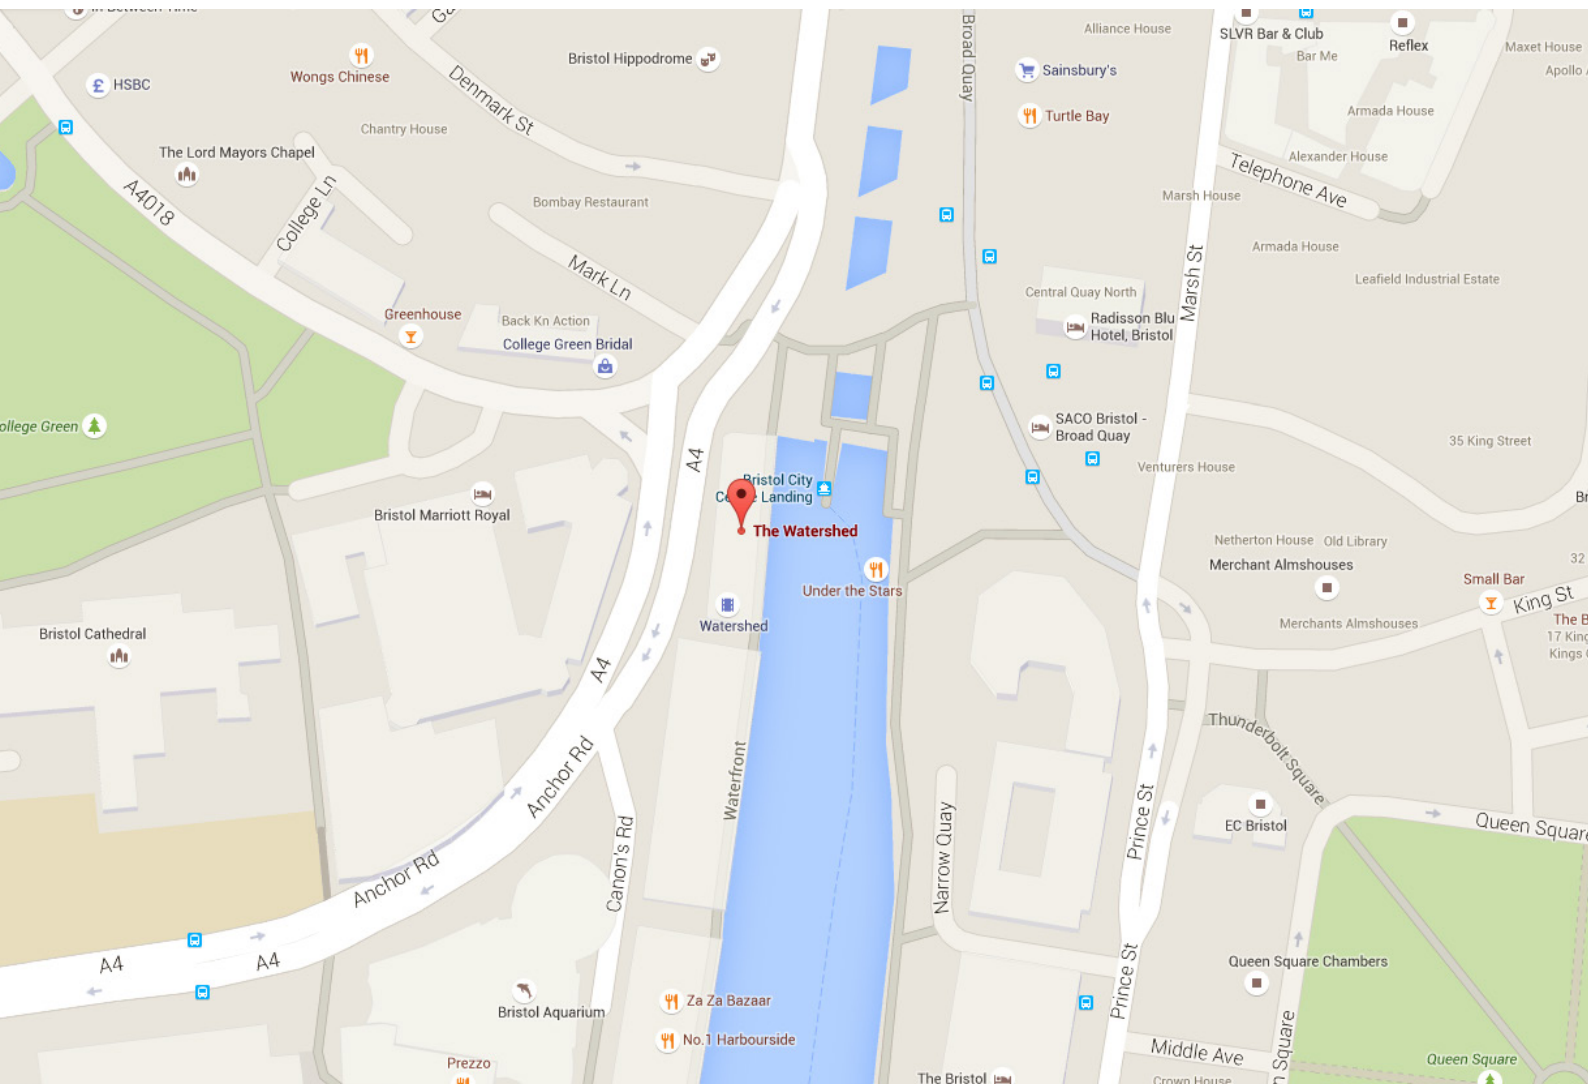

I would highly recommend the Watershed, it is a really interesting and quirky venue with real character and the views onto the waterfront are perfect for your pictures and memories."

Whatever your wish may be, let us help you tailor your day according to your needs...
